

Formulated For The Professionals  
Adhesives & Sealants

# VT-224 Rainbow Seal

## Premium Acrylic Gap Sealant

A one-component, paintable and flexible, premium quality acrylic sealant formulated for sealing gaps and joints where slight movements or vibration could cause conventional, non-elastic fillers and putties to crack and fall off. It is economical, environmentally friendly, and its adhesion to most porous substrates is good even without primer. It can be cleaned up with water. The clear cartridges enable user to choose the colours that match with their building materials.

### Applications:

With a wide variety of colours, one can match the colour of various construction materials such as wood, timber, concrete, marble, glass, plastic, etc. General sealing applications (door and window joints, cabinet and wardrobe installation, skirting of wood flooring, etc.). Suitable for various substrates (metal, PVC, wood, concrete, gypsum boards, reinforced cement boards, marble, etc.).

### Applicable Test / Standard:

- 1. Low VOC - USEPA Method 24 and SCAQMD Method 304-91 under SCAQMD Rule 1168

Item Code	Content	Carton Quantity
