

Formulated For The Professionals

VT-183 Gasket Shellac

Liquid Gasket Maker

Vital Shellac is a hard setting, fast drying liquid for gaskets repairing and sealing. It can seal the metal gasket and threaded connections for light duty service. It is suitable also for felt, paper, rubber and composite gaskets applications.

Applications:

It is widely used in close-fitted machined parts, hose and threaded connections and other general assembly works.

Available colours: Dark Brown and Honey color
