

VT-157P Vital Black Pro RTV

RTV Gasket Maker

- For dealership warranty requirements
- Fast curing formula
- Low odor and non-corrosive

Specially designed for dealership warranty requirements that ensure extended drivetrain warranty compliance. It features fast-curing, sensor-safe, low odor, and non-corrosive formulation that meets performance specs of OE silicone gaskets. It forms reliable “formed-in-place” gaskets that resist cracking and shrinkage caused by thermal cycling. It is permanently flexible and stable between -80 °F to 600 °F (-62 °C to 315 °C). It is also resistant against automotive fluids.

Applications: Rear valve covers, oil pans, timing covers, water pumps, thermostat housing, transmission pans, etc.
