VT-219 Fire Rated Silicone Sealant

100% Neutral Silicone Sealant

A one-component, gun grade neutral silicone sealant formulated to form elastomeric fire retardant seals in construction applications.

Applications:

Recommended for firestop sealing of interior and exterior building and construction movement joints where a fire rating of up to 4 hours is required.

In addition, it is used in mechanical, electrical, and plumbing applications like sealing openings or service penetrations through fire-rated ceiling, floor, or wall.

Available colors: Matte Black and Matte Grey

Item Code	Content	Carton Quantity
VT-219	300 ml Cartridge	24 / Carton

Features
