

*Formulated For The Professionals*

# VT-550 551 552EP All Purpose Metal Polish

## Metal Polish

A metal polish specially formulated to polish, clean, and protect metal surfaces (chrome, aluminum, stainless steel, copper brass, etc.). It has powerful yet gentle abrasive property making it ideal for restoring the shine of heavily weathered and corroded surfaces. It leaves behind an invisible wax coating that is water repellent and protects against fingerprints and further corrosion. It is water dispersible thus allowing easy cleaning and reuse of polishing cloths.

### Applications:

Recommended for industries, marine, auto, hobby, and household applications. Ideal for polishing jewelry, watches, musical instruments, metal furniture, lamps, bicycles, motorcycles, cars, joss-stick stands, candle stands, aluminum windows and doors, brass rails, sink, metal signboard etc.

Available color: White

Item Code	Content	Inner Box	Carton Quantity
VT-550	100 g Tube Boxed	12	144 / Carton
VT-551	30 g Tube Carded	12	144 / Carton
